MEMORANDUM FOR:

Assistant Director for Processing
Defense Intelligence Agency
Washington, D. C. 20301

SUBJECT : Sociological Supplements to Terrain
Atlases for the Advanced Research
Projects Agency

REFERENCE : Your Memorandum C-0554/AP-1E, Subject:
Sociological Supplements to Terrain
Atlases (U), dated 25 April 1966

Research is already under way on a sociological supplement to the terrain atlas on one of the eight locations requested in your letter of 25 April. After some discussion with Dr. Stanley Ruby of ARPA, our Office of Basic Intelligence agreed in February 1966 to prepare such a supplement on the Ulan-Ude area on a non-priority basis. ARPA and CIA agreed that both agencies would evaluate the usefulness of the study and the effort involved in producing it after the report is completed, probably in June 1966. Rather than commit CIA to taking on studies of the other seven areas at this time, I would prefer to continue the arrangements made with Dr. Ruby and to wait until CIA and ARPA have been able to evaluate the results of the Ulan-Ude study.
